ABOUT OUR PARTIES

If you're looking for an original idea for your party - we are your team! We will bring drums and shakers for your guests and make sure everyone is having lots of fun. Whether it's a birthday, hens or bucks night, wedding, or any occasion for a party, we'll deliver a session that everyone will remember and rave about.

What we offer in an African Drumming party

We usually deliver a mix of drumming, dancing and singing but we're always adaptable and can tailor our session to your request. Usually, we kick off with a short performance and introduce ourselves, getting everyone excited about the music. We move into the fun quickly with drumming, African rhythms and a great jam. We'll also add dancing and singing along the way. The party ends on a high so that everyone leaves in high spirits.

ABOUT US

We offer special West African musical experiences. With over 15 years in the industry, we can offer a peace of mind and level of service that puts us ahead of the pack. There's more to us than just great events: we make and sell our own drums and instruments, run classes, workshops, retreats and study tours to Bali and Africa, and we train people to facilitate drumming classes through our Teacher Training Course. We host a nation-wide network of drummers and dancers and operate Australia wide. Our team includes performers from West Africa (including Mali, Senegal and Ghana) and homegrown talent too. We love what we do and we guarantee our services.

EVENT FEEDBACK

Thank you for providing us with such a fantastic entertainer.
He amazed everyone with his drumming and did a great job at getting
people to come up and participate in the dancing and singing.
He will definitely be a talking point amongst all who were there and
the experience will be one to be remembered for a long time.

A huge thank you for the amazing awesome display put on by your guys at
my 50th on Saturday. They had everybody joining in, even my mum and dad and
the other “oldies”. So much great feedback from people and I know there are 2
people at least that want to book you for parties, so that’s great,
It’s been an absolute pleasure making my drum Band have you come
and make my 50th a day to remember.

The African Drumming was fantastic, best thing we’ve ever done. Warmed us
up body and soul, got the blocky blokes on side, and lots of other superlatives
that I’m sure you’ve heard before. Thanks again for the easy laid back joy you
brought you brought to the performance - it was really appreciated.

Sooo much fun!
Thanks African Drumming, you guys rock.
Loved the drumming but the dancing was the best!
Will tell our mates.

Wow, what an experience
Your guys really made our our day.
Thanks for the tribal drums as we did our vows,
and the African flute was gorgeous.
We will never forget it!

We had a fantastic night and Nii was amazing,
he really made the drumming such a laugh.
All the girls had a blast.
