Studio Hire Contract

Welcome to Jibasso!

This document provides essential information about Jibasso Studio and outlines the Terms and Conditions for hiring our space. Please take the time to read through this document carefully.

Once reviewed, sign and return the form to us. We will make every effort to accommodate your preferred hire schedule. For availability inquiries, please feel free to contact our Events Team.

Administration

Bookings and general administration are the sole responsibility of the hirer.

Hire Conditions

Payment

The preferred payment method is Bank Transfer due the day prior to your hire, on a session-by-session basis. Please use your full name or business name as payment reference and send your remittance to events@africandrumming.com.au upon payment. We can alternatively issue you an invoice if that is your preference.

Public Liability

Please note all teachers are responsible for providing a safe space and environment and must have their own Public Liability. Please provide a copy of your current Public Liability Insurance to events@africandrumming.com.au. Cancellation

For confirmed hires, there is a cancellation fee of 25% for cancellations made within 72 hours prior to the hire, 50% for up to 24 hours beforehand, and 80% for same day cancellations.

Access to the space

Our space is accessed via a coded door system. If your hire occurs outside of business hours, you will be given a unique code to unlock the door to the studio. The door will automatically lock after you enter the code, so you will need to open the door for your guests each time using the same code. You are welcome to give the code out to your guests for them to let themselves in if you prefer. Please note, these codes are only valid for the time of your hire and will also expire after your hire session.

If you require additional setup and/or pack down time, please include this in your requested hire period. As bookings may follow immediately after yours, please ensure your event concludes promptly at the end of your allocated time.

Using the space

Please take care of the space. The hirer must leave Jibasso in the same state in which it was found. If you've turned on the air conditioning/heating unit, please make sure it is switched off when you leave. A cleaning fee or damages fee may be charged in the event that the space is not left as it was found.

The sprung floor in the Jibasso Studio doesn't like hard or sharp edges, so strictly rubber soled shoes or bare feet only.
